Attention Members:

From June 4 until June 23, Dietrich and many of our organization's functionaries will be traveling in Germany and our office will be closed. Sales and services will be delayed until after our return. Phone calls and fax transmissions to our office numbers will be forwarded to the residence of our office angel, Sabrina, who, alas, remains behind to do what services she can. Two of our board members who are not traveling with us will be in contact with her if there is an urgent need. One of our traveling company is planning on taking a laptop, but there is no assurance that any of us will be spending our time answering emails. This is a rare opportunity for us and we will be enjoying it to the fullest.

The days following our return from Germany will be the last for our office secretary Sabrina who leaves us the first week of July and is not to be replaced. This and the need to relieve Dietrich of some of the more mundane functions of the organization have prompted us to move our business office away from New Hampshire. **This will be effective as of the first of July.** Inquiries and business related to our publications will still be at our present address, phone numbers, and email address. Membership services such as new memberships and renewals, merchandise sales, and book sales will preferably be done on our website (www.germanguns.com) or at our new address and numbers. Please make a note of them:

German Gun Collectors Association PO Box 429 Mayfield, UT 84643
Phone: 435-979-9723 Fax: 435-528-7966
Email: sales@germanguns.com

These are necessary changes and are being done to ensure the quality of our publications and the financial health of our organization. This road that we have chosen may have a few bumps and potholes along the way so your patience is appreciated.
